the "Gift of Grace".

@PrintPraySlay

While reading Ephesians 2:8-9 I learned that we are saved by God's grace. It is our faith in Jesus Christ that grants us this gift. Not any of our own efforts, acts, or works. Grace is a true gift from God that we should accept and cherish. It is the favor that He blesses us with and it is free!

I pray that you enjoy my Bible study video sharing my feelings on the Gift of Grace. I pray that you find peace in knowing that this is an undeserved gift that we all have the opportunity to accept.

Feel free to email at

DM me on IG @PrintPraySlay
any time to follow up on
the study or just to say hey.

Love you to Life!
